## ***Natura***

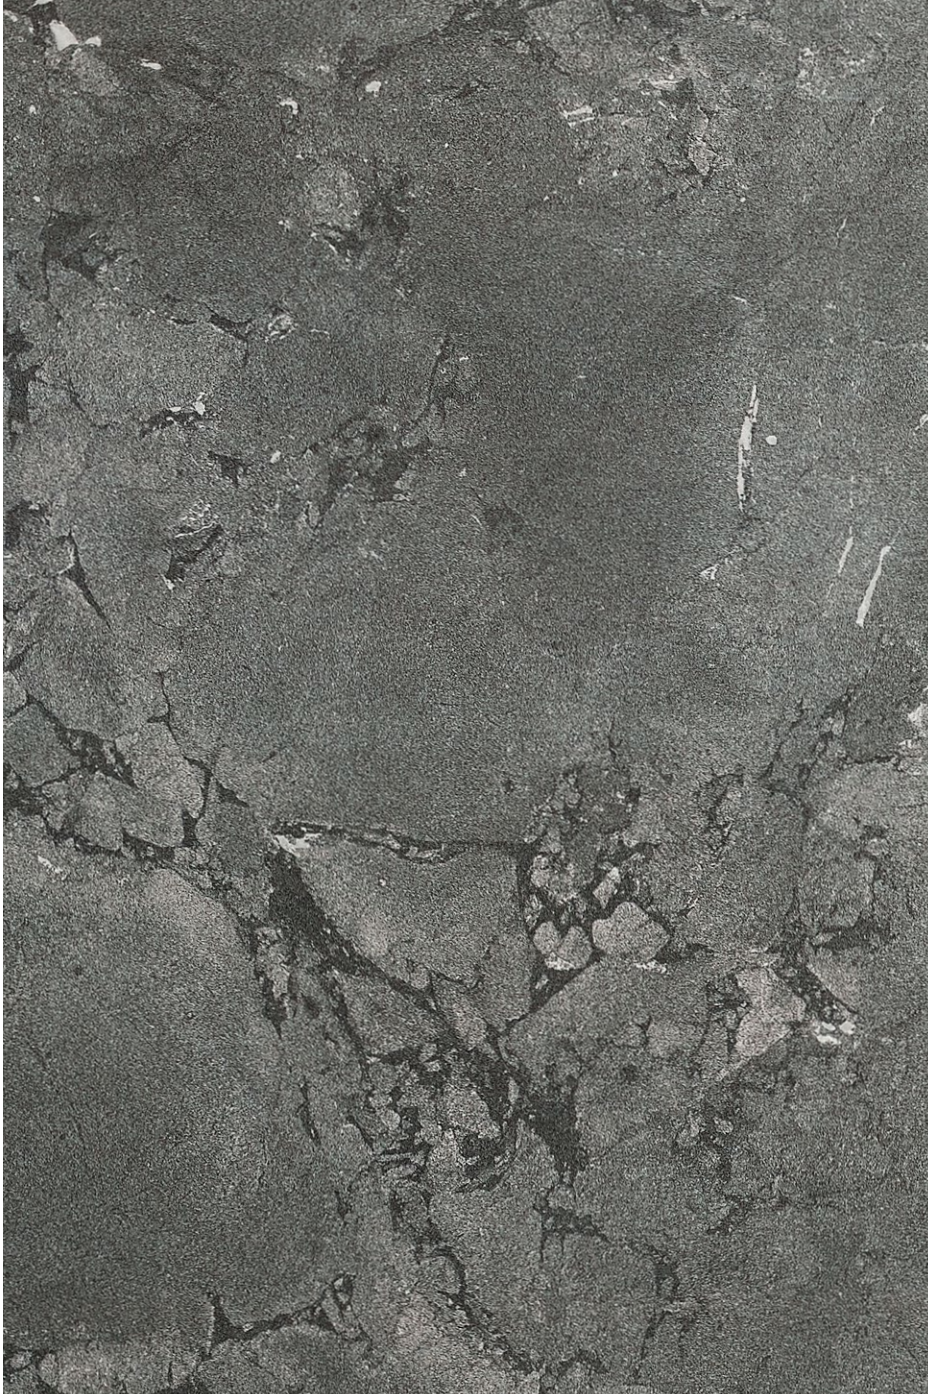

*Is beauty and evocation, nature in its essence, Nordic soul and warm calm. Natura connects with our essence generating organic and contemporary vital environments. Conquers space with harmonic and vibrant energy, making our environment more seductive. Its relief and texture generates sensorial surfaces which brings us to our primitive origin in a warm and welcoming environment.*

## ***Natura***

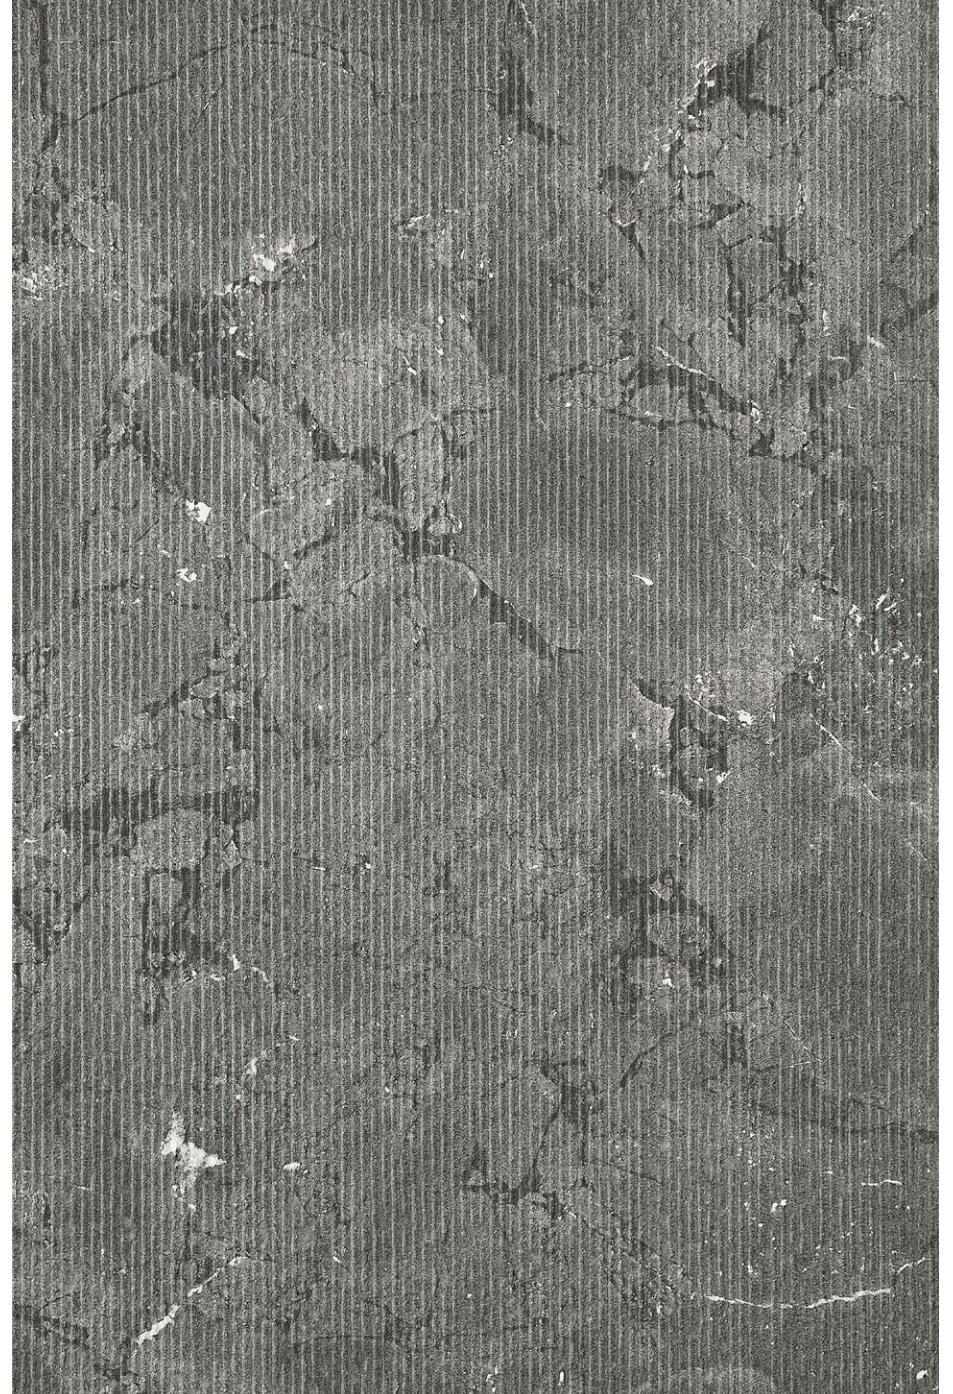

*Es belleza y evocación, naturaleza en estado bruto, alma nórdica y cálida calma. Natura conecta con nuestra esencia generando ambientes vitales orgánicos y contemporáneos. Conquista el espacio con energía armónica, y vibrante, haciendo que nuestro entorno sea más seductor. Su relieve y textura genera superficies sensoriales que nos devuelve a nuestro primitivo origen en un ambiente cálido y acogedor.*
