CIVICO 38

Design Globetrotter

Un'estetica diventata icona di design e architettura, il cemento, diventa con Civico38 tema creativo e progettuale in grado di caratterizzare gli ambienti residenziali e commerciali con un tocco contemporaneo e versatile.

Imbued with intrinsic aesthetic values and versatility, cement has become the iconic reference for contemporary architectural design. With Civico 38, cement has emerged as a truly innovative material that can adapt to and convey the most ambitious designs for both residential and industrial spaces. Civico 38 goes beyond mere function offering a true flare and celebration of all that is contemporary and versatile.

Il design ha il suo habitat.

Pavimenti e rivestimenti sono gli sfondi che fanno da cornice alle nostre vite, ed è con questa filosofia che da oltre quarant'anni Polis sviluppa e realizza le proprie superfici: disegnare spazi che mettano al centro le persone, nei quali trovare ispirazione, sentirsi rappresentati e scrivere le proprie storie più belle.

Floors and walls frame our lives. For over forty years, this is the philosophy that can be found behind Polis and its surfaces: creating spaces that focus on people, where one can find inspiration, feel at home and write the most beautiful stories.
