Style on stage

Il rigore della pietra diventa con Like Me un percorso di ricerca creativa caratterizzato da un lusso informale e immediato, dove variazioni cromatiche incontrano venature dall'effetto lustro.

Una collezione dall'anima poliedrica, per vestire progetti di architettura contemporanea sia indoor che outdoor.

Uno stile naturale con un esprit ricercato e accattivante; unico, sofisticato... come te!

With Like Me the rigor of the stone becomes a creative research path distinguished by an informal and direct luxury, in which chromatic variations meet a veining lustrous effect.

A collection of a polyhedric soul, designed to complement contemporary architectural projects, whether indoor or outdoor.

A natural style with a cherished and enticing esprit; unique, sophisticated... just like you.

Il design ha il suo habitat.

Pavimenti e rivestimenti sono gli sfondi che fanno da cornice alle nostre vite, ed è con questa filosofia che da oltre quarant'anni Polis sviluppa e realizza le proprie superfici: disegnare spazi che mettano al centro le persone, nei quali trovare ispirazione, sentirsi rappresentati e scrivere le proprie storie più belle.

Floors and walls frame our lives. For over forty years, this is the philosophy that can be found behind Polis and its surfaces: creating spaces that focus on people, where one can find inspiration, feel at home and write the most beautiful stories.
