CERAMICHE

Dalle atmosfere più pure ed incontaminate della natura, nasce il progetto Lineae: marmi esclusivi, che conferiscono agli ambienti uno stile elegante e raffinato.

Una collezione impreziosita da decori geometrici e contemporanei che, miscelati ai 3 colori della gamma, la rendono semplicemente unica.

The Lineae project is born from the pure and uncontaminated atmospheres of nature: exclusive marble that offers your spaces an elegant and refined style.

A collection made more precious by geometric and contemporary decorations that blend with the 3 colours of the range to make it simply unique.
